President's Message

Nathalie Calvo's Words of Wisdom

To all of the lovely, actives, candidates, and alumni members!

I want to thank you for your constant support and love for the Alpha pi Chapter of Mu Phi Epsilon at Texas State University! This chapter has flourished into such a beautiful family and I have first-hand witnessed so many friendships blossom from within! I am in awe with the community, positivity, and determination that all of the members consistently radiate. During the month of February, we were able to come together to network and sing beautiful music at the TMEA Mu Phi Sing! If you have not seen the videos, I encourage you to do so! During this event there was so much "Music Friendship and Harmony" happening all around!! In just the past two months we have had an amazing time within our chapter, as well as inducting 7 candidates into our chapter putting us at 32 active members (including these lovely candidates)!! We are so lucky to have such wonderful individuals become a part of this beautiful family. I am so incredibly honored to be serving as the current President of Mu Phi Epsilon. We hope to see many of you at our future events!!

Much Love,

Nathalie Calvo
